**GOVERNMENT NOTICES • GOEWERMENTSKENNISGEWINGS**

---

**NATIONAL TREASURY****NO. 1847****7 March 2022**

I, Enoch Godongwana, Minister of Finance, in my capacity as the Minister of Finance, hereby publish, in accordance with sections 15 and 25 of the Division of Revenue Act, 2021 (Act No. 9 of 2021) as amended by the Division of Revenue Amendment Act 2021 (Act No. 17 of 2021), the attached Explanatory Memorandum, Schedules and the provincial and local government conditional grant frameworks:

- (a) Allocations of unallocated provisions for municipalities for disaster response under the Municipal Disaster Recovery Grant and the Municipal Emergency Housing Grant;
- (b) Roll-over for an amount of R582 million under schedule 6B of the Regional Bulk Infrastructure Grant for operational payments for the Vaal River Pollution Remediation Project in Emfuleni Local Municipality;
- (c) Additional allocations to the direct and indirect of the Integrated National Electrification Programme, Energy Efficiency Demand Side Management grant and the Neighbourhood Development Partnership Programme for the fast implementation of projects;
- (d) Reductions to conditional grant allocations to municipalities; and
- (e) Correction of errors in the Frameworks for conditional grants to municipalities.

For ease of reference only and where applicable, the attached Schedules reflect the main allocations, first and second adjustments, and total adjusted allocations.

**ENOCH GODONGWANA  
MINISTER OF FINANCE**

## **Explanatory Memorandum to the Allocations set out in the attached Schedule**

This Gazette is published in terms of the Division of Revenue Act, 2021, (Act No. 9 of 2021) (DoRA) as amended by the Division of Revenue Amendment Act, 2021 (Act No. 17 of 2021), and provides information regarding the adjustment of allocations to municipalities in the 2021/22 financial year.

This is necessitated by the need for the stopping, re-allocation, conversion, previous year's rollovers, allocations of disaster funding between provinces and municipalities and correction of errors from previous gazettes in terms of Sections 15, 18, 19, 20 and 25 of the 2021 DoRA. Further, section 20 of the Act is also considered for purposes of converting direct conditional grants to indirect conditional grants within the same municipalities.

### **DISASTER RESPONSE:**

A portion of an unallocated amount of Municipal Disaster Relief Grant was transferred to the affected municipalities in KwaZulu-Natal, Limpopo, Northern Cape and North West provinces. These allocations for the immediate relief were transferred during October 2021 following the National disaster declaration by Department of Cooperative Governance on 24 February 2021 (Gazette No. 44184).

Furthermore, an approval was granted to the department of Human Settlements to transfer a portion of an unallocated amount of the Municipal Emergency Housing Grant to the uPhongolo local municipality in KwaZulu-Natal to fund for temporary shelters of 481 destitute households within the municipality.

### **CHANGES DONE THROUGH THE MEDIUM-TERM BUDGET POLICY STATEMENT:**

#### **Budget Facility for Infrastructure**

An amount of R1.3 billion in the Public Transport Network Grant (PTNG) is reduced to correct an over-allocation for the City of Cape Town's MyCiTi public transport network.

Under the Regional Bulk Infrastructure Grant, an upward adjustment of R81 million is to fund the potable water security and remedial works project in George Municipality.

#### **Presidential Youth Employment Intervention**

An amount of R841 million in the direct Neighbourhood Development Partnership Grant (NDPG) is adjusted upward in order to fund city-led public employment programmes.

**RBIG 6B: Funding for Emfuleni Vaal River System Intervention**

In order to address challenges within Emfuleni Local Municipality regarding the Vaal River System (VRS) pollution, an amount of R582 million is rolled-over under schedule 6B of the Regional Bulk Infrastructure Grant for operational payments for the Vaal River Pollution Remediation Project.

**STOPPING AND RE-ALLOCATION:**

The stopping and reallocation of conditional grants is done in terms of sections 18 and 19 of the 2021 DoRA against municipalities that reported significant underperformance and non-compliance against conditional grants frameworks and the provisions of the Act against the 2021/22 allocations.

This stopping however, does not imply that projects should stop, rather municipalities should reprioritize in order to accelerate on their committed projects. Only projects that are not ready for implementation in the current year are affected as funds transferred could be misused.

Only three capital grants are being affected by the stopping and re-allocation process namely; the Integrated National Electrification Programme (INEP) (5B and 6B), the Energy Efficiency Demand Side Management (EEDSM) grant and the Neighbourhood Development Partnership Grant (NDPG) (5B and 6B).

The baseline allocation for INEP 5B remains the same with R2 billion, and the indirect is reduced with R14.6 million. Furthermore, the funds for EEDSM (5B) for Maluti-a-Phofung and Setsoto LM in the Free State province will be re-allocated to their District municipality, Thabo Mofutsanyana, where the district will be implementing projects on behalf of the two mentioned municipalities. For the NDPG, an amount of R90 million is being converted from a direct to an indirect conditional grant.
